## What is the Faculty Staff Debit Plan?

The Faculty Staff Debit Plan is a convenient way to purchase meals on campus using your ID card. This plan saves you 8.5% on every meal, every day. You can open a Faculty Staff Debit Plan with \$50 and add money in \$25 increments.

## How does it work?

Every time you make a food purchase, the amount is automatically withdrawn from your Faculty Staff Debit Plan. Best of all, you can keep track of your balance with a receipt from any cashier. With the Faculty Staff Debit Plan points carry over from semester to semester and to the following academic year.
